29 February 2024

Osotspa (OSP TB)

Higher Margins Boost 4Q23 Core Profit; Keep BUY

- Keep BUY and THB28.75 TP (DCF), 40% upside with c.4% yield. While 4Q23 net profit was sluggish QoQ due to one-time expenses, core profit grew YoY and QoQ on improving sales and manageable costs, which led to higher profit margins. We maintain our forecasts, and expect a moderate 9% FY24 core earnings growth. Its 23x FY24F P/E (c.-2SD) implies undemanding valuation.
- 4Q23 bottomline below forecasts. 4Q23 net profit of THB433m (+29% YoY, -33% QoQ) was 11% and 15% below our and consensus' forecasts. OSP booked THB159m in one-off expenses mainly related to the closure of a retired glass packaging facility in Bangkok. Excluding this, core profit totalled THB592m, implying solid 76% YoY and 5% QoQ growth, mainly driven by higher profit margins. FY23 core profit stood at THB2.48bn (+28% YoY).
- Sales improved. OSP recorded 4Q23 total sales of THB6.53bn (+2% YoY, +4% QoQ). Its energy drinks' robust performance in international markets supported the YoY expansion. QoQ growth was driven by improving sales of functional beverages (from a low base) and personal care products. Its market share for domestic energy drinks is estimated to have fallen to 46.2% in 4Q23 from 46.5% in 3Q23 and 47.3% in 4Q22. Momentum slowed in Oct-Nov 2023 before a strong recovery was seen in Dec 2023 on the back of OSP's resumption of marketing activities and promotions.
- Higher GPM. Overall GPM rose to 35.5% (+5.6ppts YoY, +0.1ppts QoQ) the highest level for the year - on a favourable cost environment during the quarter (lower prices for natural gas and electricity offset the sugar price hike). This was also driven by improving outcome from OSP's premiumisation strategy and better glass production efficiency after the shutdown of some furnaces to achieve higher yields and lower energy consumption.
- Manageable opex. Opex-to-sales ratio declined 0.6 ppts YoY and 1.0 ppt QoQ to 35.5% on manageable selling expenses. OSP implemented its marketing activities and sales activation under the M-150 superstar campaigns to enhance its energy drink's brand recognition, and the spending started to optimise in 4Q23. Therefore, EBITDA margin for the quarter also ramped up 5.7ppts YoY and 1.0ppt QoQ to 18%.
- Maintain forecasts. We expect OSP's core profit to expand 9% in 2024F and 2025F. Key earnings drivers for 2024F include: i) Expected improvements in beverage sales locally and abroad, ii) smaller production costs should enhance GPM by 0.2ppts, and iii) opex control efforts may help lower the opex-to-sales ratio by 0.8ppts.
- Valuations. As OSP's 3.2 ESG score is at the country median, we applied a 0% ESG premium/discount to its intrinsic value to derive our unchanged DCFbased TP of THB28.75. The share price is at an undemanding 23x FY24F P/E, or c.-2SD from the mean. The company announced a 2H23 DPS of THB0.45/share (2.2 % yield), with an ex-dividend date of 2 May and payment date of 23 May.

Overall ESG Score: 3.2 (out of 4)

E: GOOD

OSP focuses resources on minimising its impact on the environment by implementing circular economic principles. At company level, it increases operational eco-efficiencies. By 2025, it targets a 40% reduction in water consumption and 15% less greenhouse gas emissions. At the consumer level, OSP reduces the environmental impact of its packaging. With a sustainable packaging policy, it plans to be 100% polyvinyl chloride free and see a 5% weight reduction by 2025. It also plans to have 100% recyclable, compostable, and reusable packaging within 2030.

S: EXCELLENT

OSP aims to make a positive impact on society, serve customers with the highest quality, treat employees well via good labour practices and human capital development, and share corporate citizenship and philanthropy programmes in the communities it operates in. OSP also focuses on growing alongside its suppliers and gearing for the future with innovations.

G: EXCELLENT

OSP is committed to corporate governance to protect the and shareholders' interests, and treat company shareholders equally and fairly. It also strives to maximise shareholder satisfaction through growth in its value, and disclose information transparently and reliably.

RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons <u>only to the extent required by law</u>. Singapore recipients <u>should</u> contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link <u>RHB Research Conflict Disclosures – Feb 2024</u> and to the best of our knowledge, RHBIB hereby declares that:

 RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.

- 2. RHBIB is not a market maker in the securities or capital market products of the subject company(ies) covered in this report.
- 3. None of RHBIB's staff or associated person serve as a director or board member* of the subject company(ies) covered in this report
- *For the avoidance of doubt, the confirmation is only limited to the staff of research department
- 4. RHBIB did not receive compensation for investment banking or corporate finance services from the subject company in the past 12 months.
- RHBIB did not receive compensation or benefit (including gift and special cost arrangement e.g. company/issuer-sponsored and paid trip) in relation to the production of this report.

Thailand

Save as disclosed in the following link <u>RHB Research Conflict Disclosures – Feb 2024</u> and to the best of our knowledge, RHB Securities (Thailand) PCL hereby declares that:

- 1. RHB Securities (Thailand) PCL does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
